

Eastern Region FCE

Spend the Day at the
TN Valley Fair 2009

Free
Admission

Date: Tuesday, September 15

Time: Registration 10:00 am EDT

New location for 2009

— Air-conditioned Jacobs Building on the TN Valley Fair Grounds

A limited number of parking passes are available for car-pools from counties.

Free admission tickets for FCE members

A trolley will be running all day between parking lots and all activity sites.

For additional information about FCE Day and parking and admission passes, contact your county UT Extension Office.

The Language of the Flowers

During the Victorian period, people turned flower giving into an art. Both gentlemen and ladies would read numerous floral dictionaries to familiarize themselves with the various meanings associated with the different flowers.

Learn the *Language of the Flowers* and make your own **Tussie Mussie**, a small circular bouquet of herbs and flowers.
