

All Senior High 4-H'ers in Eastern Region Counties may attend this conference!

That means any 4-H'er who is currently (as of now, today, etc) in the 9th Grade or older can attend.

This includes those Seniors who graduated in 2020!

Do you have to be Honor Club members to attend? The answer is NOPE. You do not have to be an Honor Club member to attend this conference.

Do you have to be Extremely Cool to attend this conference? Well, honestly being Extremely Cool is certainly something we value in the All Stars, but No, even if you are not exceptional in the Cool department, you are still welcome!

WHAT WILL IT LOOK LIKE?

Each Multi-County Area will **GO BACK IN TIME** to conduct a Face to Face Conference just like we used to do it back in the day!

These Conferences will be a day long conference and will take place in each of those multi-county areas.

We will conduct educational workshops, service projects, initiation, and senior recognition just like we do at our regular three day conference.
