I need your help identifying members in your county with leadership skills. Elections for the Eastern Region Board are in November at our Annual Meeting. There are two positions open on the Eastern Region Board: **President - Elect** and **Vice President of Programs**. A **Cultural Arts Chairman** is also needed which is an appointed position. Let your clubs know. The Nomination Application forms for Officers are in the 2021 Planner. You now can access the Yearly Planner on the Eastern Region Web Site.

A candidate for President-Elect must have served as a County Council President or as an Eastern Region officer.

A candidate for Vice President of Programs must have served as a County Council officer or as an Eastern Region officer and be a member of TAFCE in good standing.

A candidate for Cultural Arts Chairman is appointed by the Eastern Region President and needs to be a member in good standing.

In addition to these positions, the TAFCE State Board has not been able to identify a candidate for State Treasurer.

I appreciate any help you can give to identifying a candidate for any of these positions. You can email or call me with the names and phone numbers.

Thank you for all you do for FCE.
