

Tennessee 4-H Project Narrative

Member's Name _____ Year _____ School Grade (on Jan. 1) _____
Project _____

Use space allowed to tell each part of your 4-H narrative. If handwriting please print neatly and use only space allowed. If typing you can use up to number of characters noted for each section

Part 1. Tell us about yourself (Include your age, interests, and reasons for joining 4-H use up to 900 characters)

Part 2. Tell us about your project (Include why the project was chosen, what has been learned in the project and how has the project grown in size and scope. Use up to 2700 characters)

Part 3. Tell us about your other projects (Include major learning experiences that you have encountered through 4-H. Use up to 1600 characters)

Part 4. Tell us about your 4-H Leadership: (Tell about what has been learned from working with other 4-H members.) (Exception: If the member's main project is leadership, all information about that project should go in Part 2 and this section should be left blank) (Use up to 900 characters)

Part 5. Tell us about your 4-H Citizenship: (Tell about what has been learned from helping others.) (Exception: If the member's main project is citizenship, all information about that project should go in Part 2 and this section should be left blank) (Use up to 900 characters)

Part 6. Tell us about future goals (Include what you want to do after 4-H, and what career you might like to be in. Use up to 900 characters)
