

RODEO LINE UP

WHAT DOES IT MEAN TO BE AN ALL STAR?

To me, being an All Star means putting others needs before your own and helping the community around you the best you can.

Gracie Denton, Jefferson County

All Star Motto: Service

Being an All Star means finding a real belonging in the 4-H family- everyone has something authentically special to offer, and the All-Star Program is a fantastic outlet for that, a place where every 4-H member can be true individuals while finding their own way to serve. NEW ALL-STAR INITIATES

To become an All-Star Member, talk with your 4-H Agent. You can find and complete your application on our website: tiny.utk.edu/erallstars. It is an interactive form. Complete and return to your 4-H Agent.

Being an All-Star gives me a second family, where I can meet people from all over East Tennessee and can somehow easily talk to them. I never knew what the All-Star council was about until my very first Fall conference, from there on I knew I wanted to be just like them. Being an All-Star is awesome but being able to plan and have fun with a team is even better!! Being on council has given me such a great experience about learning the different parts of 4-H. Just because I know more now doesn't mean I know everything, and the council just gives me more and more of an opportunity to meet and learn about everyone's 4-H experiences.
- Thank you GNW Area Scout Mackenzie Ketchum
