

TAFCE
Eastern Region
ENVIRONMENTAL PROGRAM
&
GUIDELINES

The purpose of this program is to encourage FCE members to become active in their community regarding environmental issues such as recycling efforts, hazardous waste collections, tree or flower planting, etc. This program is designed for Clubs but individuals may submit reports under their Club's name.

Please complete the Environmental Program Report Form for projects completed January 1 through December 31 and send to the Region Action Committee Chairperson by April 1st.

Environmental Program winners will be announced at the Region Spring Camp. First place will receive \$25.00; second place will receive \$15.00; and third place will receive \$10.00. All checks will be made out to the Clubs.
