

TAFCE EASTERN REGION ENVIRONMENTAL PROGRAM & GUIDELINES

The purpose of this program is to encourage FCE members to become active in their community regarding environmental issues such as recycling efforts, hazardous waste collections, tree or flower planting, etc. This program is designed for club or council efforts, but individuals may submit reports under their club or council's name.

Please complete the Environmental Program Report Form for projects completed January 1 through December 31 and send to the Region Action Committee Chairperson by April 1st.

Environmental Program winners will be announced at the Region Spring Event. First place will receive \$25.00; second place will receive \$15.00; and third place will receive \$10.00. All checks will be made payable to the submitting club or council.
